# ON YOUR BIG DAY, WE

## 1 Set the Scene

- Full setup of sound, lighting, staging and visuals before guest arrival.
- Mic checks, screen tests, lighting focus, and cue confirmations completed in advance.

## 2 Run the Programme

- Coordinate directly with your PIC / planner, emcee, and venue to keep the schedule on track.
- Manage timing for walk-ins, speeches, performances and special segments.

## 3 Execute the transitions

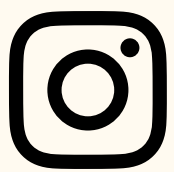

- Handle music, lighting and LED cues in sync with every key moment – from march-ins and speeches to performances and special segments.
- Seamlessly transition the atmosphere from warm dinner ambience to full celebration mode, adjusting lighting, sound and visuals in real time without disruption.

## 4 Shift the energy

- Move the event from formal programme to party mode with coordinated lighting, sound and visual cues.
- Continuous on-site monitoring ensures balanced audio, comfortable lighting and steady flow until the final track.

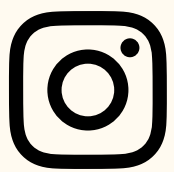

## 5 Wrap Down Professionally

- Orderly teardown and equipment removal after the event.
- Venue left neat and cleared so your deposit is not affected

## This Is How We Support Your Celebration

1. Understanding your dream wedding and comfortable budget
2. Conduct a site visit of your wedding venue.
3. Decide on the required equipment and technical support.
4. Quote an exact amount based on the agreed setup.
5. Manage the event flow – we coordinate with decorators, emcees & performers so you can sit back and enjoy your own wedding.
6. Set-up, support, and pack down on event day.
